# Event Speakers

**Mickey Robinson:**

"I long to see you that I might impart spiritual insight and ministry (some spiritual gift)." Romans 1:11.

As an unbelieving nineteen year old professional skydiver, Mickey Robinson was involved in a horrific fiery plane crash that left him burned over his entire body. That night in the burn unit, never expected to live, he had a supernatural out of body visitation from God that changed everything. Now Mickey's passion is to see both churches and individuals dramatically ignited into their corporate and personal destiny through prophetic ministry, encouragement and teaching that empowers. Mickey opens the way for every believer to enter into new and fulfilling possibilities of spiritual gift identification and activation. His ministry releases power for miracle healing, freedom, and supernatural courage for believers to embrace God's purpose for their lives. Mickey has traveled extensively nationally and internationally and has seen God transform regions as churches began to cooperate together.
