Walking Tall had the honor of Mickey Robinson coming in person to speak about his life with the young men and some of their families this week, because of our friends Robert and Barb. Who is Mickey...?

Mickey Robinson is a public speaker, and author who underwent a plane crash as a nineteen-year-old professional skydiver, that left him with catastrophic injuries. After a near-death experience, Mickey courageously overcame multiple terminal medical complications and recovered miraculously, as documented in his memoir, *Falling into Heaven*. Since his second chance at life, Mickey has been a public speaker nationally and internationally, sharing words of encouragement and hope that continue to change lives and inspire people of all ages. Mickey and his wife live outside of Franklin, Tennessee.

Some of the things Mickey shared while on the campus of Walking Tall:

"This place here is a real treasure box! It feels like an oasis for young people and adults to discover life skills and relationships in a spiritual environment. Concentrated compassion is the impact you have on young men's lives and a wave of great potential. I see Walking Tall making a difference in the world by having character development, self-respect, and social responsibility."

Psalm 16:11 says, you make known to me the path of life; you will fill me with joy in your presence, with eternal pleasures at your right hand. So, Mickey says, "This means no end to the good stuff we will experience for eternity. "

A Big Thank You to Mickey and Barbara Robinson!

But seek first his kingdom and his righteousness, and all these things will be given to you as well.
Matthew 6:33

Thank you for your continued support and prayers!

2021 MATCHING GIFT CHALLENGE

So many young people today lack good examples, whether by lack of guidance from family or by spending time around toxic friends. But here at Walking Tall, our goal is to provide mentors who can show what it means to follow Christ. This is taught through words, but more importantly, it is shown through actions. We hope to give young men an example that they can relate to and follow, just as we follow Christ.
